Bishops Collection

Needs of the Church in Canada

This weekend there will be a second collection for the Needs of the Church in Canada, more commonly called the Bishop's Collection. The Canadian Conference of Catholic Bishops (CCCC) is involved in national and international areas of pastoral activity, including social justice, ecumenical and interfaith relations, collaboration with Aboriginal Peoples, life and family issues, liturgy, catechesis, doctrine and relations with Catholic associations and movements. Each year the CCCC is asked to speak out, show leadership or provide guidelines for the faithful on a wide variety of topics. In order for our bishops to be able to make proper judgments on modern topics, they must have the benefit of research, expert advice and capable administration which is also funded by this collection.

Life Chain 2018 - September 30 @ 2pm

Every year in Canada alone, more than 100,000 babies are aborted because we have no law putting restrictions on this practice. For more than 20 years now, many hundreds of thousands of good people from communities all over North America have stood up at the Annual Life Chain event in quiet, prayerful protest against abortion. Please lend your support and join them and your fellow Christians on **Sunday, September 30th at 2:00 PM on Hugel Ave and Hwy 93** for one silent hour of prayer and witness. Please plan to arrive 15 minutes early at the Canadian Tire parking lot to receive your sign and join in the opening prayer.

For more information call Mike Vandenheuvel at 533-3028
