**Living the Gospel by  
supporting those with  
disabilities**

Ben, a 66-year-old with a developmental disability, lives with his 90-year-old mother. Without any other family, she didn't have a plan to take care of him after she no longer was able to do so. She turned to Mary Centre, a ShareLife agency, which matched Ben with a respite worker. This worker gradually introduced Ben to residents of one of Mary Centre's group homes. Now that he has befriended its residents and staff, Ben will find the eventual transition less overwhelming. He has already developed a sense of belonging to his future community.
