## *A Thanksgiving Prayer*

Heavenly Creator,

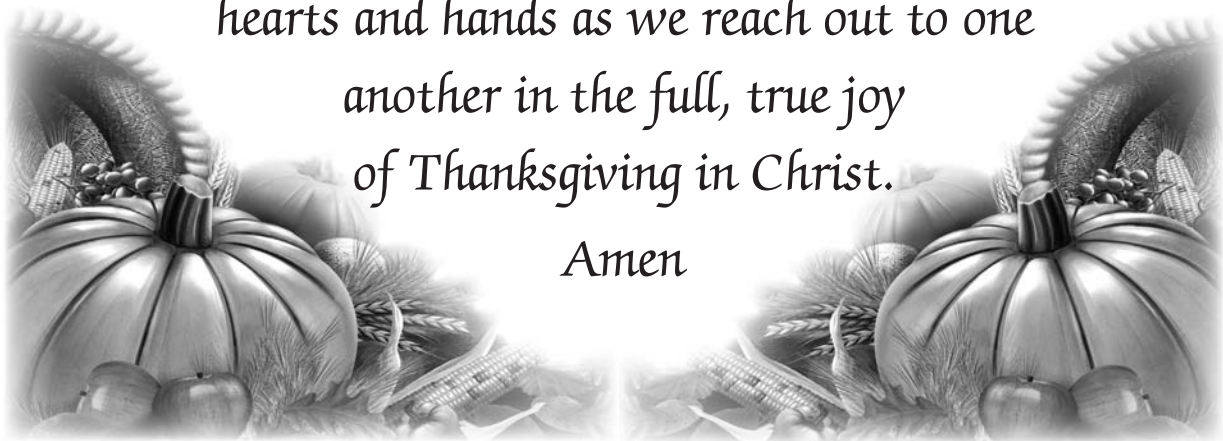

In this season of gratitude and abundance,  
we give You thanks for our many blessings  
as we pray for all who struggle  
with hunger and want.

Be with them in the dark of night,  
when all hope seems lost.

Keep their faith strong as they await relief.

And let Your goodness flow through our  
hearts and hands as we reach out to one  
another in the full, true joy  
of Thanksgiving in Christ.

Amen

### St. Margaret's Cemetery

Thank you to all parishioners that help keep our cemetery

beautiful. Fall is upon us and winterization of the cemetery has begun. Water is shut off and the gates of the cemetery will close in November. Please remove decorations and anything that is not able to withstand wintery weather. The cemetery office remains open throughout the winter to help you with plot and monument purchases. Please call -Stephanie at 705-526-6313 ext 5 and she will be happy to help you.

### Let's Keep in Touch

The events of the past 7 months continue and are/will be ones we will never forget.

March's pandemic lockdown and government's closure of the church

forced St. Margaret's to explore different ways to keep in touch with you. We are limited in our resources to reach out but we have and continue to do our best. Many of you updated your email address with us so that we could send bulletins/reflections and "keep in touch" with you, our Brothers and Sisters in Christ.

If you would like to receive emails and are not currently on our email list. Drop us an email at [stmargarets@rogers.com](mailto:stmargarets@rogers.com) and we'll be sure to add you to the list. **Thank you**

### Cleaners and Ushers Needed

St. Margaret's has been open for parishioners to celebrate mass and receive the sacraments since the middle of June. As we continue to navigate the sometimes turbulent waters of the ongoing pandemic we thank God for the 15 weeks since our reopen.

15 weeks of 6 weekday masses and 4 Sunday masses each have only been possible because of many helping hands. The good deeds of volunteers and staff greeting and assisting people at the door with masks and sanitizing, ushering parishioners to their seats, assisting with traffic flow at communion and then the helping hands that disinfect the pews and church after every celebration. WOW.....our blessings are numerous.

If you are able and are not already volunteering please consider helping usher or clean the church. We need additional volunteers to fill in and relieve current volunteers who occasionally need a break for family commitments, appointments and other events. Not to mention that as we now enter the Fall with cold and flu season before us, it is inevitable that some volunteers will be under the weather from time to time. If you are able to help, please call the parish office at 705-526-6313 ext 1 or email [stmargarets@rogers.com](mailto:stmargarets@rogers.com) We provide PPE for all our volunteers. **Thank you for your consideration.**

### Anonymous Donor Matches ShareLife Donations

**There has never been a better time to give to**  
A generous donor has committed to match every dollar donated to ShareLife until November 8 (up to a total of \$500,000).

There has never been a time when doubling your ShareLife gift has been more needed. During the COVID-19 pandemic, an unprecedented number

of people are asking ShareLife-funded agencies for help. ShareLife-funded agencies do amazing work in our communities. Thanks to ShareLife:

- 288 seniors receive excellent long-term care at Providence Healthcare
- 11,000 other seniors get access to other assistance programs each year
- 208 vulnerable young people get a second chance every year through Covenant House's transitional housing and programs
- 20,000 people per year have access to affordable counselling and wellness programs through Catholic Family Services
- 1,600 young mothers and their babies are helped each year

No matter how much you can give, it will make a world of difference in the life of one of your neighbours. And until November 8, that gift will automatically double in size. If you can, please consider making a donation to ShareLife.
